KIT MINERAL & HYALURONIC

A precious gift set containing two products particularly effective in reducing the appearance of wrinkles and improving skin texture.

Content:

- Mineral Face Cream
- Hyaluronic Face Serum

KIT TIMELESS

An elegant gift set containing two products surprisingly effective in achieving noticeable results in reducing expression wrinkles.

Content:

- Timeless Face Cream
- Timeless Face Serum

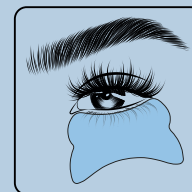

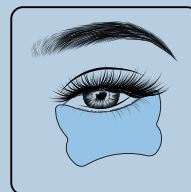

EYE PATCH

Silicone patch used to hold the lower lashes during lamination treatments or used in combination with serums and face creams for an intensive eye contour treatment.

Silicone high-tech

Soft and flexible, it adheres perfectly to the skin, ensuring comfort and safety; thanks to its shape, it adapts to every eye shape. Due to its durability, it can be reused multiple times after proper cleaning and sterilization.*

*Eye Patch is made of
Platinum Silicone
(Rubber)*

Peel-Off Treatment

It can be used as part of an intensive eye contour treatment. In combination with creams and serums, it promotes deep absorption of active ingredients.

*Reusable up to 20 treatments.
